

**2015 Corning Optical Communications  
CAH Connections<sup>SM</sup> Gold Program Confirmation**

12/09/2014

Peggy Kolving  
Accurate Connections, Inc.  
13801 Hutton Dr.  
Farmers Branch, TX 75234

Dear Peggy,

We would like to congratulate **Accurate Connections, Inc.** on being a member of the Corning Optical Communications Cable Assembly House (CAH) Connections<sup>SM</sup> Gold Program for the year 2015.

The exclusive Corning Optical Communications CAH Connections<sup>SM</sup> Program Gold level is reserved for top tier manufacturers known for their commitment to outstanding quality and industry leadership. Having undergone rigorous Corning process training and evaluation, Gold level companies share Corning's dedication to quality, technology and innovation by consistently manufacturing products of superior performance.

Patch cords manufactured by Corning Optical Communications and by member companies of the CAH Connections<sup>SM</sup> Gold Program are included in the Corning Optical Communications LANscape<sup>TM</sup> Extended Warranty Program<sup>SM</sup> which provides a 25-year project warranty.

We at Corning applaud **Accurate Connections, Inc.** in achieving membership in the CAH Connections<sup>SM</sup> Gold Program.

Sincerely,

*David Moser*
